First Announcement and Call for Abstracts

NMD-ATM 2011

The sprawling Leonia International Centre for Exhibitions and Conventions Shameerpet, Hyderabad will be the venue of the 49th National Metallurgists' Day (NMD) and the 65th Annual Technical Meeting (ATM) of the Indian Institute of Metals (IIM). These events are organised by the Hyderabad Chapter of IIM in association with the students chapters at NIT Warangal, MGIT Hyderabad and JNTU Hyderabad.

49th NMD

National Metallurgists' Day is celebrated every year on 14th November coinciding with the birthday of our first Prime Minister of India, Late Pandit Jawaharlal Nehru, a great visionary and statesman par excellence. 49th NMD celebrations will be held on 14th November 2011, under the aegis of Government of India, Ministry of Steel. The National Metallurgists' Day Award Scheme was instituted by the Ministry of Steels & Mines in 1962 to honour distinguished Metallurgists of India for their contributions to the field of metallurgical education, research and industry including environmental issues. The NMD 2011 awards will be presented during NMD celebrations.

65th ATM

The IIM recognizes and rewards outstanding Metallurgists, Material Scientists, Professionals, Researchers, Teachers and Students in specific areas of specialization. The IIM 2011 honours and awards will be given away on 13th November 2011.

As part of the annual event, a technical meeting will be conducted on 15th – 16th November 2011. The scope of the meeting encompasses modeling, design, development, extraction, processing, characterization and performance assessment of ferrous, non-ferrous and other materials pertaining to the identified themes. In addition, it is planned to hold plenary talks by eminent speakers from India and abroad. Students are encouraged to participate in large numbers. Waiver of registration fee, payment of sleeper class train fare and free accommodation will be provided to student members of IIM selected for making oral presentations in the ATM.

ATM Themes

Six parallel sessions and a common poster session will be conducted emphasising the following themes:

- Materials for Aerospace
- Materials for Energy
- Materials for Defence
- Materials for Automotive
- Functional Materials
- Emerging Materials and Processes

Covering extractive, physical and mechanical metallurgy of Ferrous and Non-Ferrous Metals and Materials.

CALL FOR ABSTRACTS

Abstracts of up to 150 words length are invited from authors for oral and poster presentations in six parallel sessions. The template for the abstract can be downloaded from the conference website (www.iimnmdatm2011.in). Online submission of abstracts will open on 25 June 2011. The last date for submission is 15 August 2011.

EXHIBITION

An exhibition will be organized during the NMD celebrations where interested parties can display the advances made by them in the field of process or product technology related to materials. The details of the size of each stall where the exhibitors can display their products and interact with the delegates, as well as the tariff per stall, mode of payment etc., will be available on our website www.iimnmdatm2011.in.

SPONSORSHIP AND SOUVENIR

Sponsorships are solicited from Government organisations, commercial establishments and research laboratories, who wish to sponsor various events/functions during NMD-ATM celebrations. Additionally, advertisements are solicited for insertion in the commemorative Souvenir that will be published and released during the event. The souvenir will contain details of the technical programme along with invited popular articles, information about sponsors etc. For details on the various sponsorship opportunities and associated benefits, as well as advertisement options, please contact us or visit our website www.iimnmdatm2011.in.

VENUE DETAILS

Hyderabad, the city of Pearls is the capital of the state of Andhra Pradesh. It is the fifth largest city in India and has several tourist attractions such as Golconda Fort, Charminar, Salar Jung Museum, Quli Qutub Shahi Tombs, Chowmohalla Palace, Birla Temple, Ramoji Film City etc. The weather at the time of the NMD/ATM is expected to be pleasant.

Leonia International Centre for Exhibitions and Conventions, the venue for NMD/ATM 2011 is located at Bommaraspet village in Shameerpet, a few miles away from the city of Hyderabad, and is part of the Leonia Holistic Resorts, a sprawling serene estate which combines leisure, business, recreation, rejuvenation, and relaxation all in one place. It is a sensational space where you can multi-task and switch modes between work, fun, learning and relaxing at the same time and in the same campus.

ACCOMMODATION

Limited accommodation is available in Leonia Holistic Resorts itself. Arrangements have also been made with some Hotels and Guest Houses in the city. The delegates are requested to visit the NMD-ATM website for details and are advised to make early arrangements.

ABOUT IIM

The idea of formation of Indian Institute of Metals (IIM) was conceived as early as in 1945. However, the Institute took final shape in the year 1947. Since then, the Institute has seen phenomenal growth. The scope of the Institute includes activities encompassing the whole gamut of metallurgical processing research and advancements. This professional body caters to the needs of Metallurgical Engineers and Material Scientists at large who are working in the areas of mineral beneficiation, extraction, fabrication, heat treatment, finishing as well as practical and theoretical aspects of all ferrous and non-ferrous metals and alloys, ceramics, composites and other disciplines.

The activities of the Institute include organizing national and international technical conferences and programs, conducting qualifying examinations, publications etc. Starting with a modest membership of 42, the IIM membership now stands at more than 10,000 drawn from various fields of metallurgical activities. The Institute has grown into a reputed Institution and is now recognized throughout the world as one of the Premier Metallurgical Organisations.

METALLOGRAPHY CONTEST

Contestants who are registered delegates may submit entries in one of the following categories:

- | | |
|---------------------------------|-------------------------------------|
| a. Light Microscopy | b. Transmission Electron Microscopy |
| c. Scanning Electron Microscopy | d. Scanning Probe Microscopy |

The contestants must carefully choose and specify the category of the entry, which will be unique and final. No reclassification will be done by the contestants or the judges afterwards. The micrographs may be in colour or in black & white. Prizes for best metallographs will be decided on the basis of technical content, aesthetics (visual appeal) and expertise of the technique. Detailed instructions for preparation of the entries can be found on the conference website.

ABSTRACT TOPICS

The following themes have been identified for specific focus at the ATM: (1) Materials for Aerospace, (2) Materials for Energy, (3) Materials for Defence, (4) Materials for Automotive, (5) Functional Materials, and (6) Emerging Materials and Processes. In addition, other important metallurgical topics spanning the following shall also be covered:

- | | |
|------------------------------------|--|
| • Iron and steel making | • Non-ferrous metallurgy |
| • Casting and materials processing | • Corrosion, tribology and surface engineering |
| • Non-destructive evaluation | • Joining technologies |
| • Mechanical behavior | • Physical metallurgy |
| • Microscopy | • Powder metallurgy |
| • Structure property relations | • Modeling and simulation |

Consistent with the above, abstracts of proposed oral and poster presentations in any of these areas are invited in prescribed formats available at the conference website.

ACCOMMODATION

Good quality rooms have been reserved for accommodating delegates at the conference venue. The room tariffs (including service tax) are as follows:

Room Type	Rack Rates Single/Double (Rs.)	Meal Plan	Special Net Rates Single/Double (Rs.)
I	10400/10900	Includes Breakfast	5000/5500
II	6200/6700	Includes Breakfast	3000/3500

Please note that room reservation is only through conference management. Please indicate room choice while registering for the conference. Additional rooms will be made available at similar rates at nearby resorts. Remaining guests can be accommodated at Marriot Courtyard Hotel (about 45-60 mins drive away) at similar rates or at the Dr. Marri Channa Reddy Human Resource Development Institute of Andhra Pradesh at Road No. 25, Jubilee Hills (about 60-75 mins drive away) at standard rates. While tentative room allotment will be done on first come first reserve basis, reservations will be confirmed only after receiving registration fee.
